

Zurich HelpPoint®

ZurichBuildersRisk.ca

Builders Risk insurance just got easier.

**If it's being built
or remodelled,
we want to take
a look at it.**

With ZurichBuildersRisk.ca you can issue a policy in as little as 9 steps and an average of 9 minutes, making it more cost effective and efficient for you to do business with us.

Why choose ZurichBuildersRisk.ca?

Ease of doing business – ZurichBuildersRisk.ca is dedicated to providing fast and efficient service. Registered brokers can access ZurichBuildersRisk.ca anytime, anywhere to rate, quote, and issue policies.

Industry knowledge – Incorporating the expertise of a market leader, ZurichBuildersRisk.ca has been specially created to protect the property interests of builders and owners.

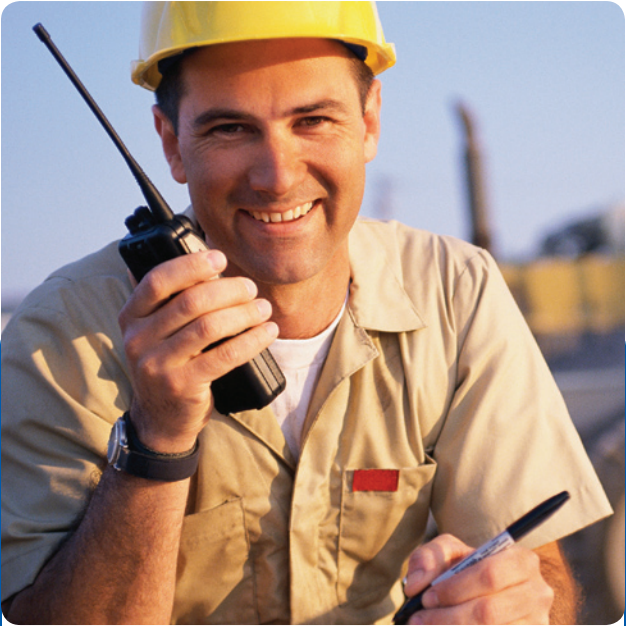

Dedicated claims service – Zurich has a team of claims representatives with experience handling Builders Risk claims, meaning our representatives understand the losses your customers face. This knowledge helps us to provide a high level of service and expedite claims payment to your customers.

Financial strength – ZurichBuildersRisk.ca is underwritten by Zurich, one of the leading companies in the industry with a 130 year history of financial stability. Its strong balance sheet and well-balanced portfolio of business provides strength and sustainability.

Program highlights
