

Zurich Marine Solutions

As one of the world’s leading underwriters of marine insurance solutions, Zurich serves customers in international trade, marine construction, terminal operations or other marine-related businesses. Broad underwriting experience and substantial capacity enable Zurich to tailor programs for even the most challenging marine risks.

We offer customer centric services with:

- Over 400 dedicated marine professionals located in 39 countries with the further ability to compliantly serve customers in 170 countries and territories
- A large marine insurer with capacity to handle large accounts
- Advice and tailor-made cargo programs ensuring compliance with foreign jurisdiction placement and taxation laws
- Limited restrictions for insuring shipments of cargo to certain controlled countries
- Online cargo certificate issuance through OCEANWIDE® for customers to access and issue certificates on demand
- Use of Broker manuscript wordings
- 800 risk services specialists and consultants, enabling us to deliver local services on a global scale
- Monthly and Quarterly premium payments options available as required
