Description

### If you are involved in an accident, it is important to remember to:

- Stop! Do not leave the scene. If your vehicle is creating a safety hazard, or if you're concerned with your personal safety, pull off the road or move to a safer place. Use warning signals.
- If anyone is injured, see that the person receives proper medical attention and call an ambulance. Do not administer any medical treatment or first aid unless you are qualified to do so.
- Call the police immediately and follow their instructions.
- Call your employer if you are a commercial driver.
- Do not make any statements concerning the accident to anyone except police officials. Do not make any settlements under any circumstances.
- Do not admit fault.
- Do not argue at the scene of the accident. Be courteous.
- Get the name, address, phone number, make of vehicle and license number of the other driver(s) and all passengers.
- Get the names, addresses and phone numbers of all witnesses. This is very important, so get as many as possible.
- Take photos of the accident and vehicles with a cell phone or camera if safe to do so.
- Complete this preliminary accident report in detail while you are at the scene of the accident.
